SECTION I.A. – SPECIFIC GENERAL RULES

1. Game Supervision - **Once the Umpire in Charge (the plate umpire) calls for the managers to the plate for the pre-game meeting, only** three adults will be allowed with each team while participating in the regularly scheduled games. Two adults at a time will be allowed on the field of play (as base coaches) during the course of a game, except during pre-game warm-up when all three may be present

on the field of play. Additional adults may be allowed on the field/in the dugout if the situation requires the adult to be present. This must be approved by the Board member on duty before the adult is allowed.

3. Registration Waiting Lists - A wait list will be established in each Division. Players will receive a late charge fee and will be placed on this list in the order in which they completed registration with the league up to the final late registration date indicated. The wait list will be maintained and kept up to date by league officials.

4. Batting Helmets - Every player who comes to bat will be required to wear a league-approved batting helmet. Any minor, other than the players, who enters the field **for any reason** must **also** wear a league-approved batting helmet. **Batting helmets shall be free of cracks and foam inserts inside helmets shall be intact (which usually appear around the ear flaps) this also applies to catcher's headgear. Any protective headgear in violation of this rule shall be removed from the field of play to include the team dugouts.**

5. Unsportsmanlike Ejection Penalty (Penalties- - Any player who, in the umpire's judgment, intentionally tries to injure another player while in the course of running the bases and is subsequently ejected from the game for unsportsmanlike conduct, shall also be recorded as an "out" on the play. Base runners who are attempting to "beat the tag" by sliding into any base and as a consequence, collides with a defensive player, will not be considered unsportsmanlike in behavior by this act alone. Any person using foul or abusive language during a game will be ejected from the game without warning. The offending person will also serve a one game suspension. Please see General League Rules #12 Ejections.

6. Catcher's Safety Equipment - Every player, while playing the position of catcher (during games and practices) must wear the catcher's protective gear provided by the league or personal equipment bearing the **NOCSAE** approval label at all times. As appropriate, they must wear a protective cup during play and at practices. Per the PONY rules "Catchers are required to wear proper protective equipment including a mask with throat guard (**exception are catchers with hockey style masks – no throat guard is required with these masks**), chest protector, shin guards, athletic supporter with cup, and NOCSAE approved headgear which gives protection to the top of the head and to both ears while catching behind plate. Any player serving as a catcher to warm up a pitcher shall wear a mask, whether the pitcher is warming up from the mound, in the bullpen, or elsewhere."

8. Suspended or Incomplete Games: Complete Game Definition - The number of innings required for a complete game shall be:

SECTION I.B. – Complete/Regulation Game Table

<u>League</u>	<u>Complete Game</u>	<u>Regulation Game</u>
Shetland	0	4
Pinto	3	5
Mustang	3	6
Bronco	4	7
Pony	5	7

A. Incomplete Game Definition - Any game not reaching complete game status as described in the above Complete/Regulation Game Table shall be considered an incomplete game.

B. Suspended Game Definition – If a game is called for any reason in the uncompleted inning, after having reached complete game lengths as described above, and the visiting team ties the score or takes the lead in the uncompleted inning, and the home team does not tie the score or retake the lead in its portion of the uncompleted inning, the game shall be considered a suspended game and is to be continued from the point of curtailment at the time scheduled by league officials. If the action described in the uncompleted inning did not occur, then the team that was leading in the previous inning shall be declared the winner. Any game not reaching complete game status as described in 9 above shall be considered an incomplete game.

C. Disposition of Incomplete Games - Games not played to complete game status will be completed the next time the teams play. The incomplete game will be played only to complete game status (See 9a above) before the regularly scheduled game is played. If the teams involved are not scheduled to play again during the season, the games may be scheduled for completion at the discretion of the league.

D. Incomplete Games for Playoffs -: The Division Director will reschedule Suspended baseball games, which have a bearing on league playoff qualifications. These games will be played to the regulation number of innings per Rule 9a above.

E. Rainout Games - Rainout games will be rescheduled if necessary.

F. Resuming Suspended / incomplete Games - Suspended games resume from the point of suspension, as if the suspension never occurred.

1. Pitchers removed from the mound may not return to the mound in the same game. Pitch count on current pitchers of record resumes from the total at the time of suspension. Number of innings pitched also resumes. Example: Bronco game between Teams A & B suspended in 3rd inning. Pitcher A1 pitched 2 innings and was relieved by pitcher A2 at the start of the 3rd inning who has thrown 30 pitches. Pitcher B1, the starting pitcher, is still pitching (with 55 pitches) when the game is suspended. If the game is rescheduled to a rainout slot, then the game will be played a regulation 7 innings. If rescheduled to the next time they meet then the suspended game will be played first, but only to complete game status (5 innings). In either case, pitcher A1 may not return to the mound for the remainder of the suspended game since he was removed from the mound. Pitcher A2 resumes innings pitch and pitch count (i.e. he has pitched 1 inning and thrown 30 pitches). Pitcher A2 may pitch additional innings, up to the maximum inning per game (4) or maximum pitches per game (85), whichever comes first. Pitcher B1 starts with 3 innings pitched and a pitch count of 55. Pitcher B1 may

complete the 3rd inning and be entitled to 1 more innings (total of 4) or 30 more pitches (pitch count of 85).

9. Rules Precedence - If a problem arises which is not covered by these rules, the EYB GENERAL RULES, PONY BASEBALL RULES, or the OFFICIAL MLB BASEBALL RULES it will be handled by the Board or a Rules Committee appointed by the Board.

10. Background Investigation - Any adult volunteering on the field, during games, practices, scorekeepers and team parents will be subject to a background investigation. Records will be kept on file at the EYB snack bar as to those adults who have been approved to volunteer for EYB. All Volunteers need to wear their league badges when volunteering on the fields or in the complex. Any adult on the field who is not listed as approved will be required to leave the field/dugout area immediately. It is the responsibility of the manager to ensure that all adult volunteers on the field are approved and cooperate fully with this policy. If a non-approved individual refuses to leave the field/dugout immediately when requested and the manager fails to enforce this policy and control the situation, both the manager and the offending individual in question will be ejected.

11. Grievances - All players, parents/guardians, volunteers, coaches, and Board members **must follow the specific chain of command** to address any grievances or concerns. Players and/or parents/guardians must report any grievances to their head coach. If the concern or grievance remains unresolved, the appropriate Division Director may be contacted for assistance. If the concern or grievance remains unresolved, the President or Vice President may be contacted for assistance. Any grievance still unresolved will be brought to the Board and/or a subset thereof for discussion and resolution. Any violation in the chain of command may result in disciplinary action.

G. All decisions regarding disciplinary action made by the Rules Committee are final unless appealed in writing to the Board. The Board may hear any appeal in a manner it deems appropriate. The Board, in its sole discretion, may render a decision on an appeal with or without the presentation of evidence. All decisions regarding disciplinary action made by the Board are final.

5. Disqualification – Any volunteer, coach, manager, appointed representative, officer, or Board Member who is removed from their position for misconduct shall not be permitted to serve as a volunteer,

SECTION II -PARENTAL RESPONSIBILITIES

This organization relies entirely on volunteers to manage, supervise, organize, and maintain the business affairs of the corporation, its facilities, and the everyday operation of the league. Skills of construction workers, welders, painters, plumbers, mechanics, gardeners, and others are especially needed and donation of your time will ensure a continuing success for the league. SECTION VI – MANAGERS AND COACHES

All persons desiring to manage a team must register an application via the EYB Registration website. The application will be reviewed by the Board of Directors. Once the volunteer has been approved by the Board of Directors as a “potential” volunteer for EYB, the applicant will be contacted via email by the Safety Director and provided a link to complete an online background check. All Managers and coaching staff will be determined/approved by an electronic, anonymous vote. In the event there are more Manager applications than open positions available, board members will only cast a yes vote for the number of positions available. For example: if a division has 6 open positions but 7 Manager applications, board members will cast 6 yes votes and 1 no vote.

1. Approval Criteria - All managers and coaches must be approved by the Board of Directors using the following criteria:

- F. The potential manager's past sponsorship participation.

Commitment - All league and tournament managers and tournament coaches are required to fulfill and complete their league duties for the entire season. Any manager or coach that abandons their duties/commitments to their team or the league during the regular or postseason shall not be eligible to manage or coach at EYB for a period of one (1) year. For the Mustang Division and above, Managers must umpire one game during the regular season of a division below them.

2. Manager Status - A manager or coach will not be considered permanent or "listed" if he/she has taken over a team during the season. No manager changes will be made official until approval of the Board of Directors.

3. Coach Selection/Approval - Each manager may select his/her own coaches, but final approval of listed coaches must be made by the Board of Directors as outlined above under Section VI.

4. General Information and Responsibilities –

- A. Manager Selection - Managers shall be selected by the Board of Directors upon completion of a Manager Application. Managers shall be selected by the criteria set forth above, including coaching experience, knowledge of the game and rules, ability to teach baseball skills, ability to work with both players and parents, sportsmanship, and cooperation with and support of the Escondido Youth Baseball League.
- B. Coach Selection - Coaches will be selected by each team manager, subject to league approval. It is recommended that each team have at least two assigned coaches in addition to the manager. The manager shall provide to the league division director the names of all coaches and any coaching changes that occur throughout the season.
- C. Assessment Attendance and Draft Confidentiality - Managers will attend player assessment and will grade all players based on ability, hustle, fielding, arm range and accuracy, batting, and speed. Managers will then participate in a draft to select their team. This information is to remain confidential and the draft order is not to be disclosed.
- D. All Managers/Coaches will sign a confidentiality agreement before the draft process begins. Failure to comply will result in disciplinary action.
- E. Initial Team Meeting - Upon selecting their team, managers must contact their players within 48 hours of receiving their set rosters after the draft and set up the first practice and a parent's meeting.
- F. Parents Meeting - At the parent's meeting, it is recommended that managers conduct a meeting with their parents involved with the team. Managers will need at least two coaches, a team parent, and at least two scorekeepers. Managers are required to keep the league official scorebook when they are the "HOME" team. Managers are **required** to obtain a team sponsor for their teams. If a sponsor is not obtained it will be the responsibility of the team to divide the cost. The parent's meeting provides an excellent opportunity to inquire if anyone would like to sponsor his or her team or knows someone who would. The parent's meeting is the time for managers to hand out their written team rules and goals for the season. It provides an excellent opportunity for managers to get acquainted with their players' parents and for them to get to know the manager.
- G. Team Calendar - A calendar schedule should be given to all players listing game and practice times, dates, and locations.
- H. Practices - At practices, it is important that managers remember that they are responsible for all players. League rules require that a manager or coach remain at the practice field until all players have been picked up by their parents, unless prior arrangements have been made (such as taking the player to your home if the parent is late). All practices must be held at the baseball fields at Kit Carson unless approved by the division director.
- I. Team Equipment - Managers will be issued team equipment for which they will sign for and be held financially responsible for. Care should be taken to ensure that the equipment is not lost, stolen, misplaced, abused, or damaged. Equipment must be returned to the league following the last game of the regular season. NO EXCEPTIONS! Managers who do not turn in their equipment in good condition shall be charged the value of the issued equipment. In addition to being financially liable for the equipment, managers who fail to return league equipment will be ineligible to manage in the following season and their child will not be allowed to register at EYB until the equipment is returned or payment for missing equipment is received.
- J. Team Sponsor - Teams are **required** to obtain at least one team sponsor in all Divisions. Sponsorship fee is payable to Escondido Youth Baseball. Your sponsor will receive a plaque with your team picture mounted. In addition, space is made available on our outfield fences for sponsors to have an advertising sign made and displayed. It is possible someone on your team

owns a business and would like to sponsor your team or knows someone who would. Restaurants and retail stores are good places to seek a sponsor. Sponsorship forms are available from the league office. After you obtain a sponsor it is always a good idea to patronize your sponsor as much as possible, thank them in person, and provide them with a game schedule and invite them to attend your games. We ask that all teams patronize and support all our sponsors. If a sponsor is not obtained it will be the responsibility of the team to divide the cost. A new Sponsorship needs to be obtained each spring. Sponsorships do not roll over.

K. Roster Changes - Managers are obligated to immediately report to the Division Director any roster changes including player league withdrawals or players suspected of withdrawing from the league (i.e. has not been heard from for a week). Failure to do so will be considered an act of unsportsmanlike conduct and may result in the suspension or other disciplinary action of the manager.

L. Umpires – Escondido Youth Baseball will do everything possible to ensure we have umpires at every game; however, in the absence of an umpire, the managers will agree on an individual or individuals to serve in their absence. This individual or individuals will not be paid and the game will be considered a legal game.

M. Coaches Meeting - It is the responsibility of all managers or team representatives to attend any EYB sponsored "Coaching Clinic". The intent of these clinics is to further the knowledge and abilities of each individual manager and coach. Attendance at such meetings is required for all team managers and coaching staff.

A. Keep the official score (in accordance with the Rules of Baseball, Section 13.00) in the scorebook designated as the EYB official scorebook.

B. The official scorekeeper *must* sit in the scorekeeper's booth provided by the league so that each of the opposing managers will have equal ease of access for submitting lineups and confirming changes in same; checking the score as the game progresses; to be able to easily confer with the umpires, as to runs scored, count on the batter, etc.

C. Replace the official scorebook in the place designated by the league following each game.

4. Scorekeeper Responsibilities - All scorekeepers in the score booth will ***comply with Pony rule*** not influence the game by ***cheering for or coaching any player***, pointing out infractions, with the exceptions noted in 4a below, unless asked by umpires or managers. Managers are responsible to bring any infractions to the umpire's attention, at which time, the scorekeeper may be asked by the umpire(s) to verify that the infraction did indeed occur. PENALTY: Game may be recorded as a protest by the manager of the team that committed the infraction. The scorekeeper will start the iPad clock when the Umpire calls "Play Ball".

5. Manager Responsibilities - Both home and visiting managers shall report all changes of their team's line up to the official scorekeeper before the start of each inning.

SECTION VIII- THE PLAYERS

1. Disciplinary Actions - Benching of a player for disciplinary action shall be permitted before or during a game with the approval of the BOD. ***The benching of a player, by an umpire for disciplinary reasons shall not be considered an "out" when the player is due to bat in the line-up.*** The umpire, opposing team manager, and the official must be notified immediately of any disciplinary actions resulting in a player being benched. The plate umpire shall notify, as soon as practical, the Board Member on Duty so that the incident may be properly annotated in the League Incident Logbook located in the snack bar.

2. Late Arrival - Players missing at the start of the game may immediately be put into the game upon their arrival and their batting position shall be at the end of the original lineup. Additionally, they must meet their minimum play requirement.

4. Uniform - In baseball, during the spring season, all players must be in complete uniform (i.e. hats, and league issued jerseys). Baseball cleats and pants are highly recommended.

SECTION IX - ASSESSMENTS AND DRAFT

1. Assessments

- A. Division Director Responsibilities - Assessments will be held prior to the drafting of players. Each Division Director will be responsible for conducting the assessments for his/her Division in the presence of the league President and notifying the managers of the assessment schedule.
- B. Assessment Schedule – Assessments will be on days and at times designated by the Board of Directors.
- C. Assessment Participation - ALL prospective players (including manager's Children) who registered in their league age brackets should participate in the assessment except Foal and Shetland.

D. Concurrent League Play – All players playing in other leagues or travel clubs concurrently with the EYB season must announce this fact prior to try-outs. Failure to do so may result in disqualification from the league.

2. Drafting

A. Draft Schedule - A player draft will be conducted by each Division Director at a time and place designated by the Division Director and EYB President (or a President designated member of the Executive Board). Draft order and player draft selection is **CONFIDENTIAL** and must not be discussed with anyone outside of the draft, or at any time after the draft. Pony will draft first, followed by Bronco, Mustang, then Pinto and ending with Shetland.

B. Annual Draft - Each team will draft a new roster of players every season. Foal teams will not be drafted. The Division Director and EYB President will assign players in the Foal and Divisions.

C. Draft Participation - All designated managers must be notified of their player draft and be in attendance. In his or her absence, they may have a representative attend, and this person will have the authority to speak for the manager. Only the listed manager or representative (approved by the Board of Directors) for each team may attend the draft. A minimum of (2) Executive Board members must be available at the draft location (those in attendance should not have any divisional conflicts) and the respective Division Director.

D. Draft Attendance Exclusion - Other than the listed manager, or designated representative no person may attend a draft in which his/her child is being considered.

E. Draft Absences - Should there not be enough managers in attendance at the draft (one for each team to be drafted) the league will designate someone to draft each of the teams not represented.

F. Players per Team - The number of players that constitute a full roster will be determined and set prior to the draft by the appropriate division director with approval by the board and may vary by division. Unless approved by the Board of Directors, there shall be no more than 13 players on a team.

G. Pre-Draft Issues - All special situations regarding the league must be addressed prior to the draft. These situations include, but are not limited to, players that have not tried out, brothers/sisters separate team availability, league structure, and playoff formats.

H. Draft Order - The order of draft will be decided by random drawing, following the completion of assessments.

I. Serpentine Process - Teams will draft in serpentine order. Example: Following is an example of the serpentine method using a six-team league.

	1st pick	2nd pick	3rd pick	4th pick	5th pick	6th pick
Round 1	A	B	C	D	E	F
Round 2	F	E	D	C	B	A

The serpentine process will continue until rosters are full. Team A drafts first, then drafts 12th, etc. Team B drafts second, then 11th, etc., and so forth until all rosters are full.

J. Manager's/Coaches - Children: All managers will participate in a Post-Assessment meeting with the division director immediately following the division Assessments. Managers, in the presence of the Division Director, will rank each manager or coach's child. This is to place the child in the draft in the same manner as other players based on their ability. If a majority of the other managers agree, the child will be drafted on the designated round. If the manager's or

coach's child does not try out, they will be ranked as a 1st round pick, unless 2/3 of all managers' present agree otherwise. If the managers cannot agree upon a ranking for the player, the Division Director will rank the player.

K. Siblings - Brothers or sisters registered in the same league will be drafted on the same team roster unless the parents' request, in writing at the time of registration to the League Director, that they may be drafted on different teams.

L. Non-Assessment Players - Players who did not join the assessments cannot be drafted and will be assigned to teams by hat pick drawing after all other players have been drafted. An exception to this rule may be made if a player's abilities are well known to the drafting managers and board members and if the player being assigned by drawing may adversely affect the competitive balance of the league.

M. Hat-Picks - All random drawings shall contain enough players such that there is a complete round of hat picks. For example, if there are 24 teams in the draft and only 10 players did not try out, then the last 14 players eligible for drafting will also become hat picks.

N. Trades - Trades will only be allowed while all of the Managers are in the room following the draft. A League Official must approve all trades. Unless a hat pick, players being traded must be separated in the draft by a maximum of one round. A hat pick is a wild card pick and can be traded for any round. All trades must be approved by a majority of the Managers in that division and the Division Director. A max of two trades per team

O. Manager Exclusion - A parent may request at any time prior to the draft or team selection, that their player not be drafted by a certain Manager. This rule does not apply to the selection of the tournament team. If a Manager tries to draft a player whose parent had requested this exclusion, they will be told that the player is unavailable, and the draft will continue. If the blocked Manager becomes the All-Star Manager, then the player who blocked them will not be allowed to be considered for the All-Star Team.

P. Vacancies- In any division will be filled from a waiting list and a hat pick. The hat pick will be conducted at the conclusion of the late-registration period. The division director or Executive Board Member will conduct the hat pick. The manager with the next position in the draft will get the first hat pick drawn. This process will continue until all vacancies are filled.

Q. Playing Up – Players wishing to play up a division will be reviewed by our EYB committee. A player will be given the opportunity to play up a division when all criteria have been met: The player is assessed with the EYB committee present (The Player Agent, Safety Director, both Division Directors and at least one Executive Board Member) and the player must be assessed in both divisions. If the committee agrees the player is safe to play up a division, the player must be drafted within the first three rounds of the draft. Once a player has committed to an age category that is their continuous age group. There must be room available in the division to be considered to play up.

SECTION X – BATTING ORDER AND SUBSTITUTION

1. Batting Order - It is mandatory, in all divisions, that all players are in the batting lineup. Players who are absent at the start of the game, or for the entire game, must be placed at the end of the lineup card and designated as absent. If an absent player arrives after the start of the game, the player's name is placed after the last active batter in the lineup (See Section I.A., Specific General Rule 3). In the case where an offensive player bats and the player is not listed on the lineup, the MLB batting out of order rule 6.07 shall apply.

2. Substitutions and Injuries - Substitutions are to be made at the start of the 1/2 inning except in the case of an injured player, in which instance the substitution can be made immediately for the injured player. In the case of an injured offensive player, the substitute player shall be the player who made the last out either in the inning of play or the previous inning if no outs have been recorded. The injured player's position in the batting order will be skipped (no out recorded). If the player returns to the game, he/she must return to his/her original position in the batting order and must fulfill the minimum play requirement. If a player is removed from the game for disciplinary action or must leave early, the player's batting lineup position is skipped (no out recorded) and the player must remain out for the remainder of the game.

- A. The players being “picked up” must be approved by the parent, and the board member on duty will confirm from a list of qualified players kept in the snack bar. You must also inform the umpire and opposing Manager before the game if you are using any Pick Up Players. A player cannot be used as a Pick Up Player if it will interfere with the game of the team they were drafted to(i.e. the pickup game must occur after the player's rostered game). A game cannot be delayed to accommodate pick-up players.
- B. If pick-up players are necessary, the maximum number of players per team cannot exceed the number of players on the original roster. You must also have enough players from the team's original roster to fill all infield positions.
- C. Once the game has commenced, pick-up players cannot be added.
- D. Except for injury or illness, a regular team player cannot sit out; pick-up players must sit out if necessary.
- E. Pick-up players:

SECTION XXI - ALL-STAR TEAMS

1. All-Star Team:

Purpose: The purpose of this document is to define the process that EYB shall use for the selection of All-Star Managers, Coaches and Players.

Objectives

In defining the process to be used for All-Star Selection, The Board of Directors has identified the following high level objectives for the All-Star process:

- 1) To provide recognition for those coaches and players who have clearly demonstrated a high level of skill, performance, effort and sportsmanship during the recreational season.
- 2) To form Teams that will be excellent representatives of EYB and the city of Escondido, in terms of competitive success, behavior, and sportsmanship.
- 3) To ensure that the Code of Conduct is modeled in all aspects of the All-Star process, including selection events as well as communications with players and parents.

2. Responsibilities

The Stallion/Tournament Director shall ensure that this document is relevant and current, and shall serve as Chairman of the All-Star Committee. The All-Star Committee shall be responsible for overseeing the execution of the process. The All-Star Committee shall consist of the Stallion/Tournament Director, Division Director and Executive board.

3. Number of Teams

The number of All-Star Teams to be formed per Division shall be determined based on the number of registered players in accordance with the following guidelines:

Number of Registered Players in Division Number of All-Star Teams

61 or less 1 team

62-123 2 teams

124-184 3 teams

185 or more 4 teams

The number of teams presented in the above table is considered to be a default value. The Executive Board, in consultation with the Division Directors, can vote to override the default values presented above. Target Date for Completion: 4th Week of April

4. Team Formation

Placement of Players and Managers onto Teams shall consist of 3 steps:

- 1) Player Nomination
- 2) Manager Nomination
- 3) Team Formation.

Each of these steps is discussed in detail below.

ELIGIBILITY

- To be eligible for All-Stars, a player must have participated in 75% of their eligible regular season games and practices. Also, a player must not be participating in any Travel Ball games, practice games or workouts after May 15th, 2025.
- The All-Star Commitment form will be made available in May 2025 and must be submitted along with a deposit check of \$50 in order to be eligible for All-Stars. Your deposit will be returned once you have fulfilled the required duties during the All-Star 2025 season, this will include(but is not limited to) full payment of registration and volunteer time completed during tournament shifts. A family has the option to use this \$50

as a “buyout” and will fulfill all volunteer requirements if they so choose.

- All-Star teams are selected by the managers and Executive Board in each division – there is **no** additional tryout. First, the top ten players will be selected by confidential vote of the division’s managers. Next, the manager will be elected by confidential vote (of the division’s managers) and EYB Executive Board. Finally, the elected manager may add additional players from a nomination list created by the division’s managers to the team. (each All Star team will have a minimum of 12 players and a maximum of 15 players or as per Pony Guidelines)
- Prior participation on a Stallions or All-Star team does not impact selection onto the current team and does not guarantee a spot on a 2025 All-Star roster.
- Players must be eligible to play for whichever manager is selected. (see P&P regarding regular season play and draft requests) Once teams are formed, we move immediately into ordering jerseys, other swag and into practices and tournaments. The roster formed on draft night will be final.
- Each player’s family must volunteer a set number of hours over the course of All-Star Season . Please see above regarding optional “buyout” The profits from EYB sponsored Tournaments are used to keep the All-Star fees low.
- There is no minimum play requirement in All-Stars. For 6U, 7U and 8U all players on the roster are required to bat please see Pony rules. For 9U and up, your player is not guaranteed to play on the field or be in the batting order if they make the team, although managers are encouraged to find playing time for everyone.
- Complaints, Issues, Feedback, Conflict etc. will require a 24 hour Cooling Off Period- After 24 hours have passed, please do your best to communicate any concerns or complaints to the All-Star manager in an open, honest, and calm dialogue. The Stallions/All Star Director must also be informed of any issues.
 - You may see your child’s skills used differently than during the Rec season. The level of play and talent in All-Stars is extremely competitive and your All-Star manager will place your child in a role that best suits your child and team. Please respect the All-Stars managers – they are volunteers, and they are looking at the team as a whole not as an individual.
- If your child does not make All-Stars, please try not to be discouraged. Plenty of players improve drastically from one season to the next as they develop physically and mentally as young people and Baseball players. There are also additional opportunities to get reps in during Fall Ball and at any of our Clinics.

PRACTICES

- Each All-Star is expected to be at every practice, game or event associated with All-Stars for All-Star season.
- The level of play for Pony Baseball tournaments is very high. Our teams must work very hard to maximize their talents to play in competitive tournaments. Teams will practice up to two hours per day Monday through Thursday (subject to manager discretion). Starting May 15, 2025 no player may participate in travel ball games, practice scrimmage games or workouts as stated under the eligibility rules.
- Failure to comply of a player not attending practices or games will result in disciplinary action up to and including dismissal from the team and possible ineligibility for the next All Star season.

TOURNAMENTS

- Players must commit to the tournament schedule determined by EYB. Schedules are usually released mid-May. The tournaments include Memorial Day weekend below and others not yet scheduled (subject to change)
- Failure to comply of a player not attending tournament games will result in disciplinary action up to and including dismissal from the team and possible ineligibility for the next All Star season.

Parent and Spectator Code of Conduct

- Remember that you are at the contest to support and cheer for your team, and to enjoy the skill and competition-not to intimidate or ridicule the other team or its fans.
- Be a positive role model at events through your own actions and by censuring those around you whose behavior is unbecoming.
- Keep in mind that you are a guest of the City of Escondido and Escondido Youth Baseball, and that while winning is certainly an admirable goal, it is hollow if it comes at the expense of morals, ethics, and just plain common sense.
- Use of any controlled substances (alcohol, drugs, etc.) is strictly prohibited at any Escondido Youth Baseball event.
- Remember Escondido Youth Baseball is a learning experience for youth players and that mistakes will always happen.
- Praise youth athletes in their attempt to improve themselves as athletes and as people, just as you would praise a student working in the classroom.
- There is no such thing as a "right" to attend Escondido Youth Baseball events. Escondido Youth Baseball events are considered a "privilege" and the spectator who avails themselves of it is expected to conduct himself or herself accordingly.
- Learn the rules of the game, so that you may understand and appreciate why certain situations take place.
- Show respect for the opposing players, coaches, spectators, and support groups.
- Respect the integrity and judgment of the game umpires. Understand that they are doing their best to help promote the youth baseball athletes, and admire their willingness to participate in full view of the public.
- Recognize and show appreciation for an outstanding play by either team.
- Use only cheers that support and uplift the teams involved.
- Escondido Youth Baseball is responsible for the behavior of their spectators. Escondido Youth Baseball can be and will be punished for actions of patrons in violation of the City of Escondido ordinances, codes, and policies.
